

AARAV PATEL

 aarav@email.com |  +91-9876500003 |  India

PROFESSIONAL SUMMARY

Passionate Machine Learning enthusiast with hands-on experience in building predictive models.

Strong understanding of algorithms, data preprocessing, and model evaluation techniques.

TECHNICAL SKILLS

Programming Languages:

Python

Machine Learning:

Machine Learning, Scikit-learn

Libraries:

Pandas, NumPy

Tools:

Jupyter Notebook

PROJECTS

House Price Prediction Model

- Built regression models using Scikit-learn
 - Performed data preprocessing and feature engineering
 - Evaluated model performance using metrics
-

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science

DEF University, India

2022 – 2026

STRENGTHS

- Analytical thinking
 - Problem solving
 - Strong mathematical foundation
-
