Professional Summary

Motivated computer science graduate with strong skills in Python, Machine Learning, Data Analysis, and SQL. Experienced in developing data-driven solutions and building web applications using Flask and JavaScript.

Education

Bachelor of Technology in Computer Science – Mumbai University (2021–2025)

Technical Skills

Category	Skills
Programming	Python, Java, C++, JavaScript
Web	HTML, CSS, React, Flask
Data & AI	Machine Learning, Data Analysis, Pandas, NumPy, Scikit-learn
Database	SQL, MySQL
Mobile	Android Development, Kotlin

Projects

Resume Job Role Prediction System – Developed a machine learning model using NLP and TF-IDF to predict job roles from resumes. Built a Flask web app to upload resumes and display predictions.

Data Analysis Dashboard – Created a Python dashboard using Pandas to analyze sales data and visualize trends.

Internship

Software Development Intern – TechSolutions Pvt Ltd (May 2024 – July 2024). Worked on backend APIs using Flask and SQL databases.

Certifications

Machine Learning with Python | Data Analysis with Pandas | Web Development with Flask

Soft Skills

Problem Solving, Communication, Team Collaboration, Analytical Thinking
